

A black and white photograph of a student wearing a VR headset, with an orange overlay on the right side of the image. The student is looking into the headset with an open mouth, suggesting immersion. The headset has 'Google' and 'LONDON' logos. In the background, other students and classroom equipment are visible.

granteqEDU

**Empowering
Education
Through
Innovative AV
Solutions**

AV solutions for education includes projectors, interactive displays, sound systems, hybrid learning, VR Gears and Content, STEM tools, experience centres and other multimedia tools and settings to create engaging and interactive learning environments. Granteq's AV solutions have become an integral part of modern education, enabling educators to deliver more dynamic and interactive lessons that cater to diverse learning styles.
